ANN SACKS® EXPANDS SUCCESSFUL SAVOY COLLECTION
WITH NEW, LARGER FORMAT, TRIMS AND CUSTOM COLORS

PORTLAND, Ore. (May 1, 2009) – ANN SACKS, a premier manufacturer and distributor of tile, stone and plumbing products, presented new components to its Savoy Collection at the 2009 Kitchen/Bath Industry Show in Atlanta . Its flexible nature and modest price point has made Savoy one of the most successful collections at ANN SACKS. With its 21 percent recycled content, it also builds upon the company’s increasing eco-friendly tile and stone categories.

Speaking to modern and classic interiors, the new offerings include larger format 4x4 and 4x8 tiles, trims, and custom mosaics and color palette. “The Savoy Collection has universal appeal at a compelling price point making it an exceptional choice for residential and commercial settings,” said Dian Smith, president, ANN SACKS Tile and Stone, Inc.

Savoy offers 13 colors choices: Chalk, Paperwhite, Rice Paper, Cottonwood, Silkscreen, Mint, Cornflower Blue, Deep Blue, Sagebrush, Brick, Bronze Black Gloss and Ibushi, a metallic pewter shade. All colors are stocked in a variety of mosaic patterns and trim pieces. The larger 4x4 and 4x8 tiles come standard in Paperwhite, Chalk Matte, Cottonwood, Cornflower Blue, and Bronze. “Expanding Savoy mosaics to include a custom program, with new meshed pattern options and custom color combinations, add tremendous flexibility to the Savoy line of product,” explained Arthur Moloian, senior manager – merchandising.

Although primarily developed for indoor applications, the porcelain based tiles can be used for exterior wall applications, fountains and swimming pools. Its comprehensive selection and pricing also make it a smart choice for floor, walls and ceilings, with the small mosaics perfect for curved walls.
