

Aeon offers a beautifully executed concrete tile collection with a clean and modern aesthetic. The large format achieves a grand and architectural surface treatment, while the neutral earth-tone palette creates a soft and livable environment. Colors will achieve a natural patina and will mature beautifully over time. Concrete employs natural and sustainable production processes and materials. The curing process requires only ambient air drying and mostly human power for finishing.

### Product Usage Recommendations

- Suitable for all indoor wall and flooring applications.
- Suitable with in floor heating systems but should be set on low (15-16 degrees).
- Suitable for exterior use but will age and patina over time. To maintain finish, an exterior grade acrylic concrete sealer may be used.

### Installation and Maintenance Guidelines

- Install per manufacturers installation instructions
- Clean with damp mop and clean water, for heavier cleaning us PH neutral cleaners
- Concrete is naturally acid sensitive. Lemon, vinegar or other acidic stains should be cleaned immediately

### Collection

Field : 18" x 36" x 5/8"  
24" x 24" x 5/8"

Colors : cacao, chateau, sandwash and whey

### LEED Credit Contributions

- Recycled Content  
Post-consumer: 20%
- Regional Materials  
Extracted in: Vancouver, BC  
Manufactured in: Vancouver, BC

### Other Environmental Attributes
