

Stainless steel and copper mosaics offer a contemporary spin on the classic mosaic wall or backsplash. Available in brushed finishes, these exclusive ANN SACKS® tiles provide a beautiful and dramatic backdrop to any room.

Product Usage Recommendations

- Suitable for all indoor wall and flooring applications. (Copper not recommended for flooring)
- Outdoor use subject to method of installation, material not affected by freeze/thaw.
- Recommended for use in wet areas such as showers, pools or fountains
- Copper color will oxidize and naturally patina over time, especially in wet areas.

Installation and Maintenance Guidelines

- Install per manufacturers' installation instructions.
- Always inspect material prior to installation, installed material can not be accepted for return or credit.
- Stainless steel tiles can not be cut and "finishing pieces" should be ordered to complete installation.
- Use non-sanded grout.
- Clean with warm soapy water and soft cloth.
