

Capri is a fresh new addition to the ANN SACKS® assortment of ceramic art tile. Clean lines and soft pastel hues make Capri a lovely choice for the kitchen or bath. The color palette was designed to blend several or all colors within one installation. The smooth shades of Capri work beautifully together because they are all the same tone.

Product Usage and Additional Information

All indoor vertical applications. Light flooring.
Outdoor use subject to method of installation and climate.

- flexible color palette
- machined edge and smaller spacers allow for tighter grout joints
- additional sizes and shapes available
