

With its reflective quality and watery depth of color, glass tile is a key element of the ANN SACKS assortment. Crystal Glass brings a premium glass executed with a modern clean edge. An appealing palette of nine colors in matte and gloss finishes will satisfy any color setting. The unique and large format 12" x 24" field will make a modern dramatic statement while the mosaic patterns offer a more subtle textural effect. Coordinate different formats and finishes in your design for creative patterning.

## Product Usage Recommendations

- Suitable for all indoor wall applications.
- Mosaics in matte finish suitable for light duty flooring.
- Outdoor wall use subject to climate and method of installation.
- Suitable for use in wet areas such as showers, pools, or fountains. For mosaics in pools and fountains, it is recommended to custom order paper faced for a more secure installation.

## Installation and Maintenance Guidelines

- Install per manufacturers' installation instructions carefully following special directions unique to this material.
- Always inspect material prior to installation; installed material cannot be accepted for return or credit.
- To avoid cracking, always use a crack suppression membrane and make cuts using proper glass cutting equipment.
- Due to transparent quality, use white thinset adhesive.
- Seal matte finish with a penetrating sealer before and after grouting.
- Use non-sanded grout for gloss finish to avoid scratching.
- Clean with warm soapy water or PH neutral glass cleaner and soft cloth.
