

This exquisite recycled metal tile is quite modern in style, but has a beautiful rustic quality created by hand-rubbed finishes and mottled surfaces. Inca's aluminum finishes lend a cool, contemporary feel, while the brass offers a warm rustic tone.

**Product Usage Recommendations**

- Suitable for indoor wall and light-duty floor accents.
- If used in wet areas, a factory sealer must be applied for a nominal fee.

**Installation & Maintenance Guidelines**

- Install per manufacturers installation instructions.
- Inspect material prior to installation; installed material cannot be accepted for return or credit.

WARNING: When installing INCA metallic tiles on or near electrical outlets or switches, particular care must be taken to isolate nearby electrical cables. Failure to do so can result in harmful or fatal electrical shock.
