

Our most popular glass collection, Lake Garda, has become an ANN SACKS® favorite. Beautiful color options and a variety of shapes and sizes make this line easy to work with as well as functional. Lake Garda is excellent for all vertical wall applications and beautiful in both contemporary and transitional environments.

Product Usage and Additional Information

All vertical indoor applications. Outdoor use subject to method of installation and climate.

- excellent color palette
- sizes are modular to allow for patterning
- endless design possibilities
- color is baked onto the back of tile to allow for thin set application
