

Promenade is a beautifully executed glass floor tile that coordinates with our Pila Vetro glass line. This newly developed process allows the bath to be almost seamlessly monochromatic rather than requiring an alternative material for the floor.

Product Usage and Additional Information

This tile is made for flooring. However, it is also suitable for all vertical surfaces. Use of crack suppression membrane is required. See your sales associate for installation instructions.

- color palette is compatible with Pila Vetro glass line
- choose from a wide variety of shapes and sizes
- option for unique patterns
- textured surface on both etched & glossy finishes help to eliminate slippery surfaces
